

# Okuhida Onsen-go

The hot springs deliver new interest and discoveries with every visit.

## Gondola lift for enjoying the sunset 【Shinhotaka Ropeway】

Enjoy the grand scenery of the North Alps colored by the sunset from a gondola lift!  
Operation of the gondola lift has been extended from mid-October to early November.

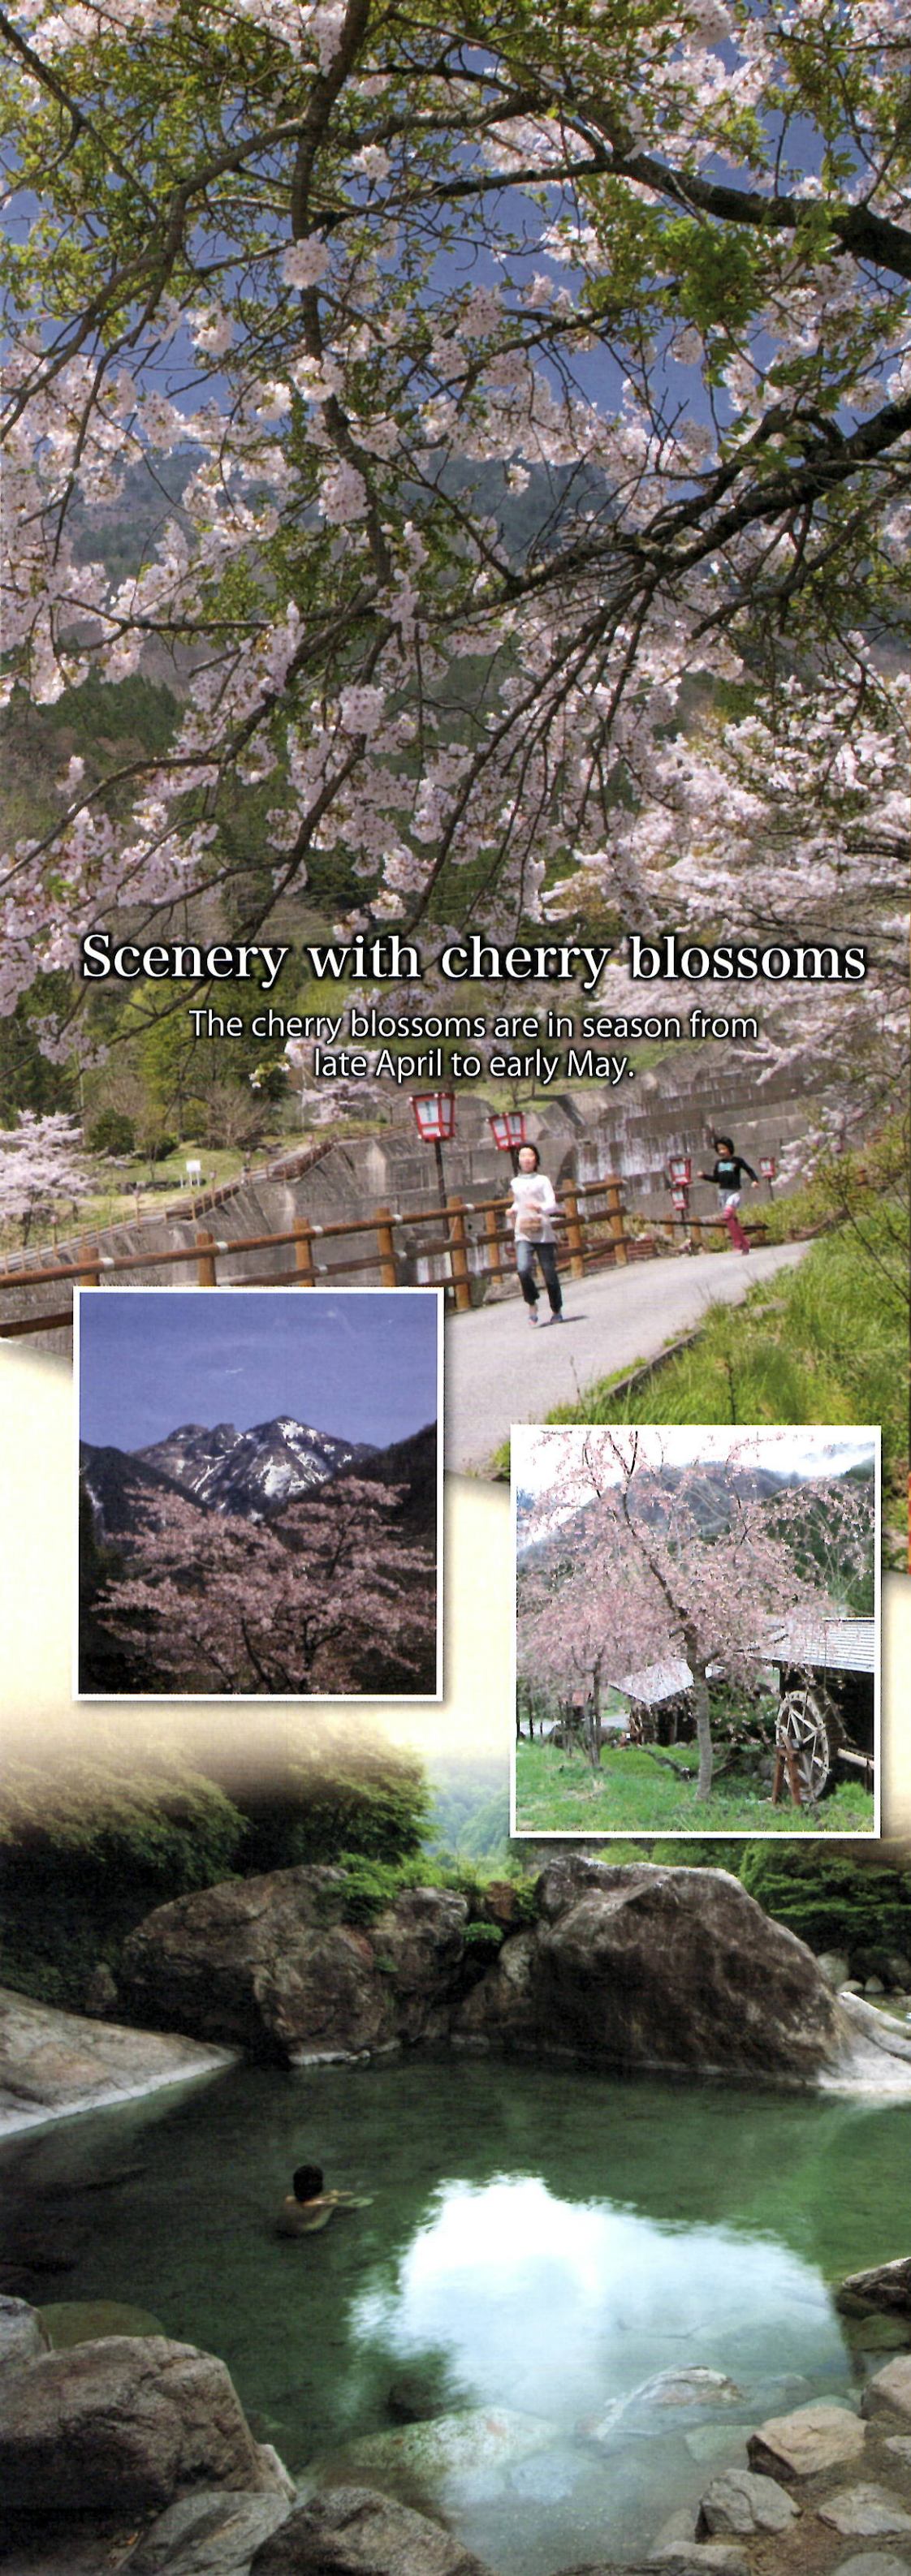

## Winter Festival

Wonderful Okuhida Fuyu Monogatari (winter story) event set against a background that is covered in snow  
(Held from late December to late March)

The scenery of the Okuhida Hot Spring Village changes in spring, summer, fall, and winter. It features Japan's distinctive cherry blossoms in spring, traditional events and festivals passed down since long ago in summer, red and yellow leaves in fall, and a gorgeous snowy wonderland in winter. You can enjoy the charms of nature and culture at the Okuhida Hot Spring Village throughout the year.

## Scenery with cherry blossoms

The cherry blossoms are in season from late April to early May.

## Lively summer festival

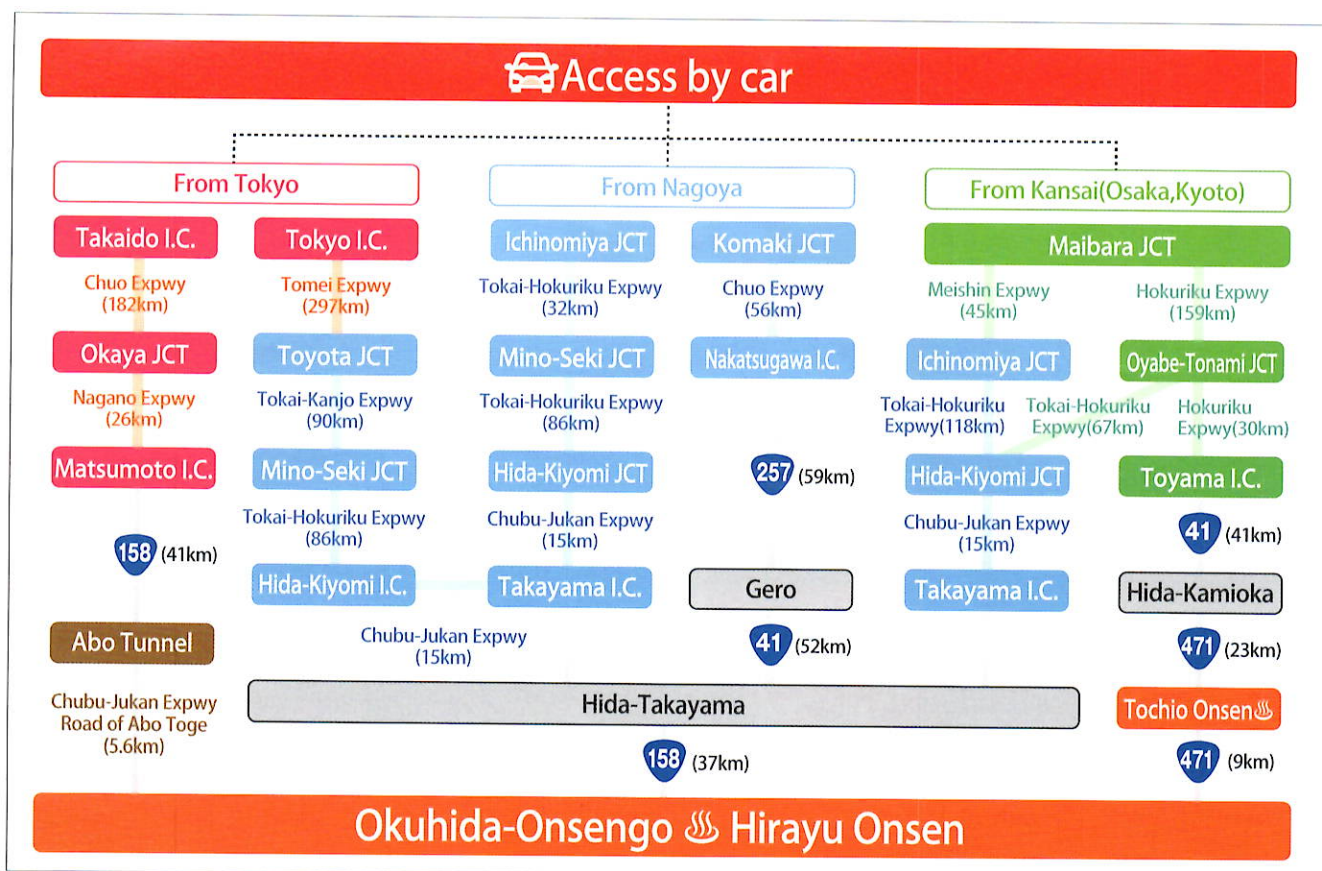

Don't miss the traditional entertainment passed down from long ago!  
Held from early to late August
